## EXAMINATION INSTRUCTION NO. 1 OF 2020

### AUDIT OF THE SCHEDULES FOR THE LEARNERS WHO HAVE BEEN PROGRESSED TO GRADE 12

1. At the Council of Education Ministers (CEM) held on 7 March 2019 a decision to discontinue the Multiple Examination Opportunity (MEO) dispensation for progressed learners with effect from 2020 was taken. This therefore implies that modularisation was implemented for the last time in 2019 and the candidates that register to write the 2020 National Senior Certification (NSC) examination will not be allowed to write their subjects over two (2) examination sittings.
2. Following the above decision *Circular E29 of 2019* titled the "*Discontinuation of the Multiple Examination Opportunity (MEO) dispensation with effect from 2020*", was issued by the Department of Basic Education (DBE) and brought to the attention of PEDs, Umalusi and all Education stakeholders (**Annexure A**).
3. Provincial Education Departments (PEDs) are therefore requested to ensure that the criteria for progression is accurately applied and that all the Grade 11 learners who have been progressed from Grade 11 in 2019 to Grade 12 in 2020 have met all the conditions.
4. It is expected that PEDs would have conducted an audit of all grade 11 schedules in December 2019 based on the following criteria:
  - (a) The learner must have failed to satisfy the promotion requirements of either Grade 10 or Grade 11 and repeated either Grade 10 or Grade 11;

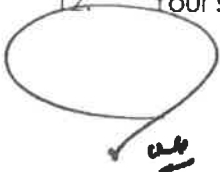

- (b) The learner must have passed the Language of Learning and Teaching (LoLT) and another three (3) of the seven subjects offered;
  - (c) The learner must have attended school on a regular basis. Absenteeism in excess of 20 days, without a valid reason, will disqualify the learner from being progressed; and
  - (d) The learner must have complied with the prescribed School-Based Assessment (SBA) requirements for that academic year.
5. In the event that a PED has not yet conducted the audit, you are allowed until 27 January 2020 to conduct the audit.
6. The DBE will conduct a verification audit at the Provincial Head Offices from 21 to 24 January 2020 to determine whether all learners who have been progressed to Grade 12 have met all the conditions.
7. A sample has been selected for the verification. The sample of the chosen schools per province is contained in **Annexure B**.
8. PEDs are requested to avail the copies of all the Grade 11 promotion schedules of 2019 at the Provincial Head Offices by 20 January 2020 to be ready for the said audit, as it may be necessary to verify other schools outside the chosen sample.
9. The Grade 11's approved promotional schedules of 2019 should indicate (amongst other things) the following on the cover pages:
- (a) Name of the school;
  - (b) Year of assessment;
  - (c) Number of learners that have been enrolled in Grade 11;
  - (d) Number of learners that have passed Grade 11;
  - (e) Number of learners that have been progressed to Grade 12;
  - (f) Number of learners that have failed Grade 11; and
  - (g) Number of learners that have been absent for more than 20 days without valid reasons.

Also ensure that the promotion schedules include the following information:

- (a) Number of years in the phase;
- (b) Number of days absent; and
- (c) Compliance with SBA requirements for the grade.

10. Twenty (20) Part-Time Monitors from the Chief Directorate: National Assessment and Public Examinations (NAPE) will be deployed across all nine (9) provinces to conduct this verification from 21 to 24 January 2020.
11. The Heads of Examinations are requested to e-mail to Dr MA Thobedi (Thobedi.a@dbe.gov.za) by 19 January 2020 the venues, physical addresses, contact persons and contact numbers of the persons where the audit will be conducted at the Provincial Head Offices.

12. Your support in this regard will be highly appreciated.
