SUBJECT: RELEASE OF JUNE EXAMINATION TIME TABLE

National Circular 33 of 2022 bears reference regarding the contents of this communiqué.

Please take note of the following:

- Subjects and papers indicated on the attached time table will be availed.
- Papers will be protected and availed in electronic format to the Local Education Office Coordinator who will provide it as will be indicated later, for schools to duplicate.
- The schools are responsible to set standardised school-based question papers for all papers NOT indicated on the time table.
- Subject Advisors are requested to support schools by moderating other school-based papers not appearing on the timetable.
- These Question Papers should be treated just like the end of year examination papers, in terms of all processes done before, during and after they are written.
- Paper should be written on the dates and time indicated on the time table as your school may not be the only one writing these papers
- Schools are advised NOT to schedule papers before or beyond the identified period so as to give more teaching and learning time.
- Kindly take note of the papers that have both papers and those that do not. If a subject does not have 2 or 3 papers as reflected on the Timetable, schools will have to set another paper if the ATP Programme of Assessment (PoA) dictates that.
