"If you have a problem at school, Karabo, please tell me", said Mom. His Mom hugged him real tight. "When I was a little girl, sometimes the other children called me, horrible names.

Karabo looked up. "Why did they do that?" "Some children can be mean, especially when they don't feel so good about themselves."

Mom looked at Karabo. "Is that your problem too?" Karabo took a long time to answer.

"Yes, it is; how did you know?" "You often felt sick before school so Mom guess that there was something wrong." "Mom, they call me itsy bitsy Karabo mini me, mean things like that online, Mom." All the kids call me like that now. Just because I am a bit small. These mean words hurts".

Mom was quiet. "Did you tell your teacher?" "No, of course not Mom, that would make things worse." "Bullying is wrong, Karabo": said Mom. "Maybe we can talk to your teacher together". Karabo frowned but thought that it was worth a try.

Karabo and his Mom spoke to the online teacher. She was glad that they told her about the cyberbullying. The next day in the online class the teacher started the: "NO BULLYING PROJECT."
